Dear Mr. Musick:

I would like to inform you that I am retiring from my position as a Special Education Teacher with Waskom ISD, effective May 31, 2012.

Thank you for the opportunities for professional and personal development that you have provided me over the years. I have enjoyed working for the district and appreciate the support provided me during my time with Waskom ISD.

Waskom High School, with its staff and students, has been a big part of my life since 1999. While I look forward to the opportunities retirement will bring me, it still makes me sad to be leaving. I will surely miss the many personal and professional relationships that I have developed while here.

If you need any help in the coming months after I leave, please do not hesitate to call me.

As I enjoy my retirement by visiting with my grandchildren and traveling, I will most certainly remember all my friends 'still in the trenches.'

Sincerely,

Deborah Lee

Mr. Musick,

I am writing this letter to inform you of my decision to resign my current position as Math Teacher / Head Boys Basketball Coach at Waskom High School in Waskom ISD, effective at the end of the current 2011-2012 school year. The last year that I have spent at Waskom High School is my most memorable year out of the 9 years that I have spent in education. I have learned extremely valuable life lessons during this last year that I will forever cherish. I have also been able to form relationships here that could possibly last a lifetime. However, due to some of the life lessons that I have learned, it is necessary for me to resign my position. Thank you for the opportunity that you have given me here in Waskom, as you allowed me to partake in my "dream job"! Thank you for everything you have done for me!

Thanks again,
