Matt,

You are a gentleman and a scholar... heavy on the gentleman!

I am flexible – Mondays, Tuesdays, and Wednesdays – I try to avoid basketball-watching conflicts for board members. I have a few conflicts already scheduled trainings in February and March. With some March dates, and definitely an April to August-blitz, we have many options to schedule the tour. Ideally, pick a few dates that your board can gather. That may be pretty close to what other Erath schools can do. We can advertise your selected date and let it marinate. If we have one board or five, we will conduct the training regardless. I just want to get this training out in the field, rather than just at the ESC.

Dale

Dale,

I think we could do that. Can I wait to confirm after our February meeting? Do you have some available dates for us to consider?

Thanks,

Matt

Matt,

We are planning to offer the new, required SB 1566 board training, on "Evaluating Student Performance," in some county-clustered sessions. We have to train every board member by September 1, 2018. This is a required 3-hour training. If the entire Team of Eight is present for the full three hours, then this training credit can be double-dipped to meet your annual Team of Eight requirement.

Would you be interested in hosting an Erath cluster? I think we talked about this a few weeks ago, but I may have imagined this conversation.

Dale
