Regular Board Meeting

August 18, 2025

AGENDA SECTION: Consent Agenda

SUBJECT: Approval of the Monthly Financial Report

BOARD POLICY: CFA(Legal)

STRATEGIC GOAL(S): Fiscal Stewardship

FISCAL NOTE: The Monthly Financial Report is informational and does not authorize any new expenditures

PREPARED/PRESENTED BY: Darla Moss, Chief Financial Officer

Background Information

The monthly financial report is a routine submission provided to the Board of Trustees to ensure transparency and accountability in the district's financial operations. This report presents a summary of revenue and expenditures for all major funds, including the General Fund, Debt Service Fund, Child Nutrition Fund, and any active grant or capital project funds for the period ending June 30, 2025, which represents the final month of the 2024-25 fiscal year.

It is important to note that this report reflects preliminary, unaudited financial activity. Year-end audit entries, accruals, and adjustments have not yet been recorded. The final audited figures may differ once all year-end closing activities are completed in coordination with the district's external auditors.

Administrative Considerations

The report reflects current spending patterns and assists in identifying early warning signs of budget overruns or underutilization. Department and campus-level budgets continue to be monitored to ensure alignment with financial goals.

Recommendation

It is recommended that the Board approve the monthly financial report as presented. The report reflects responsible fiscal management and adherence to the board-adopted budget.

Communication Deployment

Key metrics of the report may be used in future communications or staff presentations to support transparency efforts.

Suggested Motion

"I move that the Board approve the monthly financial report for the period ended June 30, 2025, as presented."
