Re: Golden Apple

Name of Nominee: Kimberly Marlowe- Randolph Elementary School

Is a positive representative of the District: Kim Marlowe goes above and beyond her teaching responsibilities on a daily basis. She **ACTIVELY** cares about her school and community environment and has spearheaded numerous charitable fundraising activities at Randolph. Not only does the end result provide and assist those in need, her projects teach Randolph students the value of charity and the commitment and work necessary to accomplish **BIG projects**.

Is a positive role model for others by: motivating staff and students to be involved in community service and outreach, school beautification and climate. She exemplifies what a “community member” should be. Is a role model for students, teachers and parents.

Is innovative and seeks new ideas or methods by: researching and following through on projects which involve the entire school and community, (green school recognition, school landscaping, fundraising). Accomplishes projects with limited resources and **NO MONEY!**

Is self-motivated by: daily showing her sense of pride in school and community. Striving to teach students to be active community members by setting an example and providing opportunities for students to become involved in service projects.

Other reasons: Innovative—always positive. Always seeking solutions. Unafraid to “jump in”, organize and do whatever it takes to accomplish the goal at hand.
