

Unity School District - Board of Education

Board Policy 151.1

Dissemination of Policies

Last Revised 11/13/2018

In order for the Board of Education to publish and maintain policies, it is necessary to set rules for dissemination.

Therefore, the Board of Education directs the District Administrator to maintain an official copy of Board Policy to be kept in the District Office.

The Board of Education directs the District Administrator to post the Board of Education Policies and Administrative Rules on the District Website in a searchable format.
