

BP 4117.2 RESIGNATION

The Superintendent or designee is authorized to accept the written resignation of any employee on behalf of the School Board, and the resignation shall become effective immediately upon acceptance by the Superintendent or designee. A resignation presented to and accepted by the Superintendent or designee may not be withdrawn by the employee.

If a request to release a certificated staff member from his or her contract is made when fewer than thirty calendar days remain before the staff member's first contract day, or anytime thereafter, the district will consider filing a Professional Teaching Practices Commission (PTPC) complaint. When considering if the filing of a PTPC complaint is warranted, the district will weigh any mitigating circumstances including, but not limited to, factors impacting the staff member's family or health, factors related to the staff member's expectations regarding employment or working conditions, or unforeseen changes in the circumstances impacting the staff member's ability to continue employment with the district.

If a certificated staff member is currently under contract with the district and the district learns the staff member has contracted with another district without obtaining a written release, the district will consider a PTPC complaint against the staff member.
