DENTON ISD

Denton district honored for music education

For the third year in a row, the Denton Independent School District has been named as a “Best Community for Music Education in America.” The school district also attained this honor in 2008, 2007 and in 2004.

This is a great honor for our district because it is based on providing music as an integral part of every student’s education. The local district was selected again for its commitment to school-based music programs.

The National Association of Music Merchants Foundation and its American Music Conference division, which both work to promote the benefits of active participation in music and music education, sponsored the survey.

Denton ISD was one of only 10 in Texas to make the list. Other area districts on the list are Northwest ISD, Hurst-Euless-Bedford ISD, Arlington ISD, Plano ISD and Carrollton-Farmers Branch ISD.

Local Business Leader Richard Gore, with Pender Music, will be at the board meeting to make the presentation.
