May 19	Board Meeting
June 9	Board Workshop

August 11	Board Workshop

As we continue navigating the fiscal realities facing Coppell ISD, we have developed a timeline that outlines the decisions ahead related to school consolidation and our multi-year budget planning process. This timeline is intentionally structured with a focus on transparency, stakeholder engagement, and timely decision-making, ensuring our community remains both informed and involved throughout the

process. This approach is designed to balance urgency with engagement, ensuring that decisions are rooted in financial responsibility while remaining aligned to our district's commitment to families, staff, and students.

**RECOMMENDATION:** That the Coppel ISD Board of Trustees approve the School Consolidation & Boundary Realignment Timeline as presented.
