SUBJECT: Texas Dance Educators Association All-State Dancers

The Goose Creek CISD Fine Arts Department would like to acknowledge the Texas Dance Educators Association (TDEA) All-State Dance students.

- **Mia Creagh** – Ross S. Sterling High School – Directors: Lori Alexander & Yoanna Isas
- **Mia Martinez** – Robert E. Lee High School – Directors: Morgan Galvan & Clayton Baker
- **Kyndall Bowen** – Goose Creek Memorial High School – Directors: Angela Upshaw & Julia Burch

Selection to the TDEA All-State Dance Team is one of the highest honors a Texas high school dancer can achieve. These students earned this distinction through a highly competitive audition process that evaluates technical excellence, performance quality, artistry, and professionalism among top dancers from across the state.

This achievement reflects not only the exceptional dedication and talent of these students, but also the continued strength and excellence of Goose Creek CISD's dance programs and directors.
