**Recommendation(s):**

The Advancement Office recommends approval of a \$10,000 grant from the Shorewood Foundation to support lighting improvements in the theater at Shorewood High School.

**Purpose:**

The Shorewood Foundation has generously provided a \$10,000 grant to Shorewood School District for new theater lighting at Shorewood High School.

**Background:**

Since 1964, the Shorewood Foundation has provided a way for Shorewood residents and friends to support the community's institutions, facilities, and services.

Shorewood Foundation has also generously provided support this year for the Atwater Centennial playground campaign, the Lake Bluff tennis courts campaign, and improvements to our library.

The Shorewood Foundation funds associated with this grant will support new lighting in the theater front house.
