

December 16, 2025

This letter confirms our decision to purchase wireless equipment and associated parts for use within New Buffalo Area Schools from Moss during the next E-Rate funding year (4/1/2026 to 9/30/2027) as specified in the specifications and price quotations. The cost for the project shall be no more than \$129,192.18 (Option #3 - HPE Aruba 745 Access Points).

The procurement of these products/services will be dependant upon the following conditions:

1. Final approval of next year's fiscal budget;
2. Contract confirmation by next year's school board;
3. Award of associated E-rate funding; and
4. Changes in proposed technology plan.

To accept these terms and conditions, please sign below and return by email to kelsea@elitefund.com.

We look forward to working with you on this project.

Sincerely,

Vendor agreement:
