Rationale	<p>Missed School Days Waiver</p> <p>On February 14th, the state of Texas was devastated by a North American winter and ice storm. To ensure the safety of our students and community and to allow time to recover after the storm, Alvin ISD closed schools for four days (February 16, 17, 18, and 19). A majority of our community dealt with power outages from Sunday, February 14, until Friday, February 19. Much of our community was without water or under a boil water restriction until Sunday, February 21. The power and water issues not only prevented the district from safely opening campuses, but also from serving students with remote learning.</p> <p>TEA authorized that districts could apply for a waiver for missed school days due to this winter storm. Applying for this waiver exempts the district from having to make up the missed days in the school calendar, allowing Alvin ISD's calendar to remain unchanged.</p>
