## Hugle's Happenings .....

### In Praise of Coaches

As the fall season comes to a close, we are proud of all of our teams and athletes, their hard work and their success in competition. Many of us enjoy watching the games and contests. We are excited when teams — Volleyball, Men's Soccer, Cross-Country and Football this fall — excel and enter the playoffs.

For every team, there are volunteer or barely paid coaches giving their all for kids. We had 20 coaches for fall sports. Every one worked daily with student athletes after their "regular jobs". While their co-workers were heading home, our coaches came to their second job on the field or court, giving of their skills, their wisdom and their hearts, inspiring our athletes to push harder, dream bigger, commit more.

As a coach's wife, I remember the many nights Scott was gone from 7:00 in the morning until returning home from Klamath Falls or Lakeview after midnight, then up again to work the next morning. Adding up all the practices, games and planning, Scott invested over 500 hours into a team during the season. Once I foolishly calculated his hourly wage as a paid coach. Not something I advise any of our current coaches to do.

There aren't many jobs more subject to scrutiny than the very public performance of a coach. We can second-guess every decision, every play. Though many of our coaches freely volunteer their time, they may still deal with relentless criticism. No coach is perfect but they are more likely than most of us to research and study the latest innovations in their field.

Thank you to all of our inspirational fall coaches!

# Seniors - 2009

## **SENIOR SUPER STARS**

Be ready class of 2009! Senior Super Stars will be held on April 24, 2009 at 7 pm **IN OUR GYM!** Keep watch for more details and get ready to dominate...

**The Senior Super Stars parent planning meeting will be at 7 pm on Tuesday December 9, 2008, in the commons.**

## **Senior Careers Packet “Plan and Profile”**

All seniors must complete the Three Rivers “Plan and Profile” Career Packet to graduate. This is a State of Oregon graduation requirement. Ms. Prince will provide the packets to seniors soon and will help students complete the work. Please encourage your Senior to be thorough and to give some thought to his/her reflection of past work.

## **SENIOR CLASS PARENTS**

Our largest fundraiser is fast upon us. We are in need of your homemade baked goods to sell at the Christmas Craft Bazaar. Some ideas are cakes, cookies, brownies, pies, or muffins. We need your finished baked goods delivered to North Valley by 6:00 pm on Friday, December 5, 2008, as they will be sold December 6<sup>th</sup> at the Christmas Craft Bazaar. If you DO NOT want to be baking over the fall holiday, **please** donated monies to be used to purchase items instead. Will be happy to pick up from Breeze. Questions please call Robin Kemper 471-2102

## **Money, Money, Money!**

Worried about paying for college? Here are 4 things you can do NOW!

1. Visit <http://www.fafsa.ed.gov/>. This is the official Financial Aid site with information about how it works and the application is online. **Every senior family should complete a FAFSA by January 31st!**
2. Borrow or buy college guidebooks like the Peterson’s College Guides or the Fiske Guide to Colleges. They include information about each college’s costs, financial aid resources and (in the Fiske Guide) what percentage of NEED each school will meet.
3. Understand the formula:  $NEED = COST - EFC$  where EFC means Estimated Family Contribution, COST depends on each college but includes living expenses and NEED means the amount of financial aid the family qualifies for.
4. Practice your essay writing skills! Most scholarship money is decided based on a combination of student resumes and application essays. Be a GREAT essay writer.

## **HELP US SAVE PAPER AND MONEY**

If you would like to start receiving the newsletter by e-mail, please call the school at 479-3388 or e-mail [stephanie.phillips@threerivers.k12.or.us](mailto:stephanie.phillips@threerivers.k12.or.us) and give us your e-mail address. We hope this will greatly reduce the paper use and expense of our newsletter. **Bonus:** You will be among the first people to receive the newsletter each month as you won’t have to wait for production to print the newsletter or the post office to deliver it to you.

# Seniors - 2009

*Welcome back to our last year of exciting education! We are again REMINDING Senior families of the need to raise monies for "Operation Graduation".*

Your commitment to raising these monies is **essential**. We would like to **thank** those families who have already donated towards our goal. Your pledge is truly appreciated. In previous years parents and guardians have hosted a drug and alcohol free party for their graduating seniors, as well as hosting the Baccalaureate, Graduation and Graduation reception. We need to begin budgeting monies for their Graduation celebration. **We are asking that each family donate the full amount of \$100.00 (\$25.00 for each year)**. Note: If you move, your money will be refunded. Your input and participation are also greatly needed and appreciated! Please fill in the information below and return it to the office along with your payment in an envelope marked:

**Attention Class of 2009.** Let's make this happen!

Please make checks payable to **NVHS Class of 2009**.

## College Visitations

We strongly encourage families to take their high school age students to college campuses for tours. This is one of the best ways for students to begin imagining themselves as college students and to begin to compare college campuses.

We're so committed to this that we offer every student a school-related absence day to visit a college campus with a parent or guardian. All that's required is a note in advance to the school and, when s/he returns to school, a business card from the Admissions Office. We will offer one school-related absence for this purpose per year. Additional visits will be Verified absences.

# Sophomores - 2011

## OAKS Testing Begins Soon

Every year, Sophomores are given four statewide assessments in Reading, Mathematics, Science and Writing. The first three are online multiple-choice tests; the writing test is a writing prompt and student-generated work. It is important that students do their best on all of the tests. There are 3 opportunities to meet or exceed the state standards in Reading, Math and Science but only one in Writing. Most testing will be done in the Winter and Spring and students will receive immediate feedback on the online tests.

Schools are evaluated based on the percentage of sophomores who meet or exceed the rigorous state standards. The Class of 2011 will be challenged to beat what the Class of 2010 achieved last year:

Subject	Class of 2010 Target	Achieved Last Year	Highest Ever in Josephine County (GP, IV, HV, NV)	Class of 2011 Target	2007-08 State Average*
Reading	69%	74%	NVHS/GPHS 74%	74%	66%
Writing	58%	59%	HVHS 65%	65%	57%
Math	58%	52%	GPHS 62%	62%	54%
Science	70%	71%	NVHS 71%	71%	59%

*\*We are proud to have beaten our targets in 3 of the 4 categories! Let's see a repeat this year!*

## What are the benefits for students?

- ◆ Clear evidence of academic excellence; often cited on college, job and scholarship applications.
- ◆ Graduation honors for meeting the CIM include Honors Diploma (other areas of eligibility also) and the CIM tassel to wear proudly on graduation night.
- ◆ Cookie/ice cream cards for each OAKS test met or exceeded on the spot.
- ◆ Whole sophomore class party for each target met.
- ◆ Pride in excelling in competition with other high schools!

## What else is required to earn a CIM (Certificate of Initial Mastery)?\*

- ◆ 3 Speaking Work Samples scored 4s or above
- ◆ 3 Writing Work Samples scored 4s or above
- ◆ 2 Science Work Samples scored 4s or above
- ◆ 2 Mathematics Work Samples scored 4s or above

*\* While the state of Oregon no longer requires a CIM, Three Rivers School District continues to award the honor to those students who earn one. For the Class of 2012 and after, the CIM or its equivalent will become a graduation requirement.*

# Freshmen - 2012

## Our new diploma standards meet changing needs

The staff of North Valley High School has been very busy helping your child prepare for a future most of us can't even imagine today.

It's no surprise the world is changing fast – which brings us to new high school diploma requirements beginning with the class of 2010. The challenges we face are fundamentally different than ever before, due to advances in technology, changes in society, the economy, the environment, and our “shrinking world.” Research tells us schools must change to give students new knowledge and skills to succeed in college, at work, and as a citizen. We agree.

In fact, we've known this all along – and *have* been changing. But now it's time bring you in on very specific changes to graduation requirements developed by the Oregon Department of Education in partnership with many educators and stakeholders over the last three years.

At NVHS, we've been involved in school reform and school improvement efforts – such as the conversion to Trimester, increased Advanced Placement opportunities and our new Gear Up Initiative. That's why we are embracing the spirit of Oregon's more rigorous diploma.

How is the diploma changing? One major change is that state credit requirements for graduation are increasing as are Three Rivers School District's, with an increased emphasis in math and science. In a nutshell, students need to accomplish three things to earn a diploma:

- 1) Successfully complete credit requirements;
- 2) Demonstrate proficiency in essential skills;
- 3) Meet personalized learning requirements.

First things first: This issue of the Knightline News details credits requirements. Each month we'll include more about how we're implementing new diploma requirements.

**Class of 2009** needs the following credits: English/Language Arts – 4; Math – 2; Science – 2; Social Sciences – 3; PE and health, each – 1; Second Language, the Arts, Career and Tech Ed (CTE) – 1; electives – 12, for a total of 25.

**Class of 2010 and 2011:** English/Language arts – 4; Math – 3; Science – 2; Social Sciences – 3; PE and Health, each – 1; Second Language, Arts, CTE – 1; Careers — .5 and electives – 11.5 for a total of 26 (2010) or 26.5 (2011).

**Class of 2012 and 2013:** English/Language Arts – 4; Math – 3; Science – 3, Scientific inquiry (2 with lab experiences); Social Sciences – 3; PE and Health, each – 1; Second Language, Arts, CTE – 3; Careers — .5 and electives – 8.5 for a total of 27. Beginning with the Class of 2012, graduates will also have to demonstrate the essential skills of Reading, Writing, Speaking, Math and Science.

### Support Our Troops

A long as our troops are hard at work defending our country we at NVHS will continue to make a difference with this worthy and successful fundraiser. This marks our fourth year at NVHS in our commitment to helping the troops in Iraq with our donations. In 2006 we donated 240 pounds, in 2007 we top that and donated 270 pounds, in 2008 we only we able to gather 100 pounds of old, used, or broken cell phones. *The money raised from the sale of recycled phones as well as cash donations has allowed a group of students to send at least 6000 calling cards worth more than \$100,000 to troops stationed in the Middle East.* Thanks so much for supporting these men and women overseas.

Collection boxes have been set up in the office and library. We are making a difference. We appreciate you!
