Dear School Board and Superintendent Guardipee-Hall;

The students continue to keep busy at Glendale and Big Sky Colony. They made a lot of progress this past month. The students continue to do the best they can with our virtual learning scenario 1. Both schools completed 100% of their WIDA testing. Glendale homework and attendance have stayed right around 90%. Big Sky continues to have 96-98% attendance and 100% completion of their homework packets. The students at both colonies exchanged Valentine's Day cards on Friday, February 12th, and had a fun afternoon! They are now counting down until spring!

Robert Hall did a google meet presentation and went over the Blackfeet history. It was a big hit with all the students. This week I will be working with [John Salois](#) at HR as well as the colony teaching staff to continue the process moving forward into scenario 2. Both colonies are excited to get back to face-to-face learning.

Thank You,
Mr. Black, Principal
