For the purposes of this Article, temporary disabilities such as pregnancy and pregnancy-related medical conditions are to be treated the same as any other medical condition.

B. Bereavement/Illness Leave

Death in the immediate family entitles the Administrator to use seven (7) days sick leave, except that if the circumstances of the death in the immediate family require travel outside the State of Alaska, the Administrator is entitled to use ten (10) days sick leave. Death in other than the immediate family shall be covered under this section with the approval of the Superintendent.

In the event of illness of an immediate family member, an administrator shall be granted up to ten (10) days sick leave annually.

Personal leave shall be used prior to taking non-contract days, except in instances where non-contract days are being used to balance work calendars. The payment for unused personal leave will be processed prior to June 30 each school year.

F. Sabbatical Leave

The District may, upon written request, support a Sabbatical Leave with pay of one-half (1/2) the administrators' base salary, to one Administrator per school year after five (5) years of continuous service with the District.

Upon return from Sabbatical Leave an administrator shall be restored to the former administrative position which he/she left, if it is available or if not available to another position in the District for which the Administrator qualifies.

Salary schedule placement shall be determined at the point where the Sabbatical Leave began.

A. Administrator-Initiated Transfer

1. A transfer or reassignment request may be initiated by any Administrator.
2. The Board agrees when filling administrative vacancies and new administrative positions and Central Office administrative positions to consult Administrator intent forms which may have been filed with the District, and where possible, to select within the District when qualified applicants are available.
3. District Administrators will be considered on the basis of experience, qualifications, and length of service to the District. However, the specific needs of The Lake and Peninsula School District will be given first priority in the final selection of the successful applicant.
4. In addition to transportation, the District shall reimburse parcel post, to a maximum of \$300.00 per family plus \$35.00 per child, and move one plane (Cherokee 6/Cessna 206) load, for customary and reasonable moving expenses for Administrators transferred. Except for summer transfers, travel and administrative leave will be provided to the site to secure housing prior to the transfer.

B. District-Initiated Transfer

1. Notice of involuntary transfer for a subsequent school year shall be given as soon as practical, but not later than April 15 of the current school year. Prior to making an involuntary transfer, the Superintendent shall review requests for voluntary transfers and shall consult with the Administrator. Written reasons will be provided with the Notice of Transfer.
2. The April 15 date notwithstanding, involuntary transfers may be made at any time for (1) program change; (2) decrease, increase, or change in enrollment; (3) community unrest; or (4) a resignation that occurs after the end of the school year at a site that needs an administrator experienced in the District's programs.
3. An Administrator who is involuntarily transferred shall have the option, in lieu of accepting the involuntary transfer, of being placed on a one year leave of absence without pay.
4. In addition to transportation, the District shall reimburse parcel post, to a maximum of \$300.00 per family plus \$35.00 per child, and move one plane (Cherokee 6/Cessna 206) load, for customary and reasonable moving expenses for Administrators involuntarily transferred. Except for summer transfers, travel and administrative leave will be provided to the site to secure housing prior to the transfer.
5. District employed couples (one spouse Administrator and one spouse a teacher) shall not be separated through an involuntary transfer unless mutually agreed upon by the Administrator and the district's administration or unless the transfer is mandated by a lack of a position for one member of the couple.
6. An Administrator involuntarily transferred under this provision will receive two (2) weeks prior notice. An involuntary transfer found necessary after the conclusion of the school year will require the District to notify the affected Administrator by written notice to his/her summer address (via certified mail) and a phone call to his/her summer telephone number on file with the District.

D. Personnel Files

An Administrator shall be entitled to a copy of his/her permanent file and site file upon written request.

The Superintendent shall devote at least one meeting before February 28 of each year (or extended by mutual agreement) of the Administrator's employment to an evaluation of his/her performance and working relationship with the Superintendent, District Administrators and the Board. The evaluation shall be based upon performance criteria mutually agreed upon in advance by the parties, and shall be reduced to writing in a form mutually agreed upon by the parties. The written performance criteria shall be reviewed by the end of September. The Administrator shall be provided with a copy of the written evaluation at least three days prior to the meeting scheduled to discuss such evaluation.

ARTICLE XI REDUCTION IN FORCE OF TENURED ADMINISTRATORS

- A. For purposes of this Article, a reduction in force is defined as the non-retention of a tenured Administrator pursuant to state law.

B. Responsibility for determining the level of staffing in the District rests solely with the Board which will consider the recommendations given by the Superintendent.

C. The Board reserves the right to determine the retention or non-retention of any program that will best serve the interest of the District.

D. When the Board deems it necessary or desirable to reduce staff, the reduction, insofar as possible, will be implemented through attrition. If the reduction in staff cannot be implemented through attrition, any tenured Administrator not retained will be given recall preference if the following conditions prevail:

1. The Administrator is an active candidate.
2. The Administrator meets the job qualifications for the position, i.e., certification (endorsement) and experience requirements.
3. The Administrator has performed satisfactory service.

E. To the extent that it is consistent with the District's program needs, which includes job qualifications as described above, length of service with the District will be given priority in determining the order of non-retention and recall.

F. A tenured Administrator who is non retained due to a reduction in force shall be accorded recall rights for one (1) year unless the Administrator specifically waives this right in writing. Said recall rights are lost if a certificated position is offered by the District via (1) phone call, (2) telegram, and (3) certified letter, and the Administrator fails to accept it within ten (10) days of delivery, or notice of attempted delivery, or if he/she accepts employment with another district. The Administrator is responsible for ensuring that the District has a current address on file. The District will not be required to guarantee recall rights to any Administrator the District is unable to contact due to that Administrator not providing the District with a current address.

G. No new Administrators shall be hired until all non retained tenured Administrators satisfying the requirements listed above in D have been recalled.

H. Administrators who are non retained shall have the option of purchasing coverage under the District's health insurance plan.

When the Association files a grievance on behalf of an Administrator or Administrators, the Association shall notify all potentially affected Administrators and obtain the signatures of those wishing to participate in the Association's action.

C. Effort shall be made to settle grievances at the lowest possible level of the grievance procedure.

D. Grievances will be processed in the following manner and within stated time limits. The time limits as specified in the grievance procedure, however, may be modified by the prior written consent of both parties.

Step 1: An aggrieved Administrator shall promptly attempt to resolve the grievance informally between the Administrator and his/her immediate supervisor.

If the grievance is not resolved informally, it shall be reduced to writing by the Administrator, who shall submit it to the supervisor.

If an administrator does not submit his/her grievance to the supervisor within twenty (20) days after the facts upon which the grievance is based first occur or first become known to the Administrator, the grievance will be deemed waived. The aggrieved Administrator may be accompanied by one member of the Association when presenting the written grievance.

The supervisor will reply in writing to the Administrator with a copy to the Association within five (5) school days after receipt of the written grievance.

Step 2: If the grievance is not settled in Step 1 and the Administrator wishes to appeal the grievance to Step 2, the Administrator may file the grievance in writing with the Superintendent within ten (10) school days after receipt of the supervisor's written answer. The written Grievance shall give a clear, concise statement of the alleged grievance, citing the specific provision(s) of the Agreement alleged to have been violated and including relevant facts upon which the grievance is based, the issue(s) involved, and the relief sought. The Superintendent or his/her designee shall review the grievance, arrange for necessary discussions, and send a written answer to the Administrator with a copy to the Association no later than ten (10) school days after receipt of the written grievance.

Step 3: If the grievance is not settled in Step 2 and the Administrator wishes to appeal to Step 3, the grievant may appeal the Superintendent's disposition to the Board through the Superintendent. If the Administrator does not send his/her appeal to the Board within ten (10) school days after the receipt of the Superintendent's answer, the grievance will be deemed waived. If the grievant appeals to the Board as provided, the Board shall hold a hearing to hear the appeal of the Superintendent's decision within thirty (30) days of the receipt of the appeal. If administration or other staff members are involved, they shall be present to present the facts to the Board as they see them. The Board shall render its decision with respect to the grievant within fifteen (15) days of the hearing.

Step 4: Grievances not settled in Step 3 of the Grievance Procedure may be appealed to arbitration by the grievant Association.

The Association shall provide written notice of a request for arbitration to the Superintendent within twenty (20) school days of receipt of the Board's answer in Step 3.

When timely request has been made for arbitration, the parties or their designated representative shall attempt to select an impartial arbitrator. Failing to do so, the Association shall request the American Arbitration Association (AAA) to submit a list of arbitrators. The selection of the arbitrator shall be made with the procedures established by the AAA.

The arbitrator shall schedule a hearing on the grievance. After hearing such evidence as the parties desire to present, the arbitrator shall render a written decision. A decision of the arbitrator shall be binding upon the parties.

Each party shall bear the travel/lodging costs of producing its own witnesses and the costs of preparation of exhibits and other materials. The fee and expenses of the arbitrator shall be shared equally between the Association and the Board.

E. Conditions

1. All disputes concerning the arbitrability of an issue will be presented to the arbitrator at the hearing scheduled on the merits. Either party may appeal the decision and the determination of the arbitrator on the issue of arbitrability to the courts.

2. No reprisal will be taken by either party as a result of their testimony or participation in a grievance.

3. A grievant will have complied with time limits if his/her appeal or initial grievance is postmarked on or before the applicable date.
