**SUBJECT:** FY2026 Foundation Update - OASIS

---

Districts submitted FY2026 Fall OASIS data through the State Report Manager (SRM) for counting average daily membership (ADM). On November 12, 2025, each district was emailed regarding duplicate listings, errors, or conflicts, including information on how to correct the student data.

Attached are the reconciled FY2026 OASIS Update Foundation Report and the District Foundation Summary. Please note, this is not the *Closeout* Foundation Report, as impact aid vouchers continue to be applied through the end of February 2026, and intensive student reviews have not yet been finalized by the Special Education (SPED) section. This information is anticipated to be in the closeout notification of the FY2026 Foundation Entitlement that is sent mid-March 2026, along with the updated foundation payment schedule.

If the district does not agree with the Department of Education & Early Development's reconciled ADM, a written appeal may be submitted to the department, as outlined in regulation 4 AAC 40. The appeal must provide evidence that demonstrates money to which the district is entitled to has been denied or withheld by the department; and the appeal must be postmarked no later than the 30-days from the above date.

If there are any question regarding the attached information, you may contact me at [jared.delara@alaska.gov](mailto:jared.delara@alaska.gov) or at the above phone number.
