Mr Cox,

This is to serve as a letter of resignation from my position as Speech Pathologist at Waskom ISD.

I have enjoyed working with my colleagues there but since we have moved to Shreveport, LA, I feel the need to work closer to where my special needs son will be attending school.

I understand that at this moment my position has not been filled, but there appears to be 3 very interested candidates + I feel sure that at least 1 will work out.

Thank you for all you've done to make my job at Waskom great,

Holly Beshea SLP
