

SWIMMING POOL RENOVATION PERMIAN HIGH SCHOOL

BRUCE McCRARY AND PATRICK YOUNG

REQUEST FOR APPROVAL TO RENOVATE/REPAIR THE POOL AT PERMIAN HIGH SCHOOL

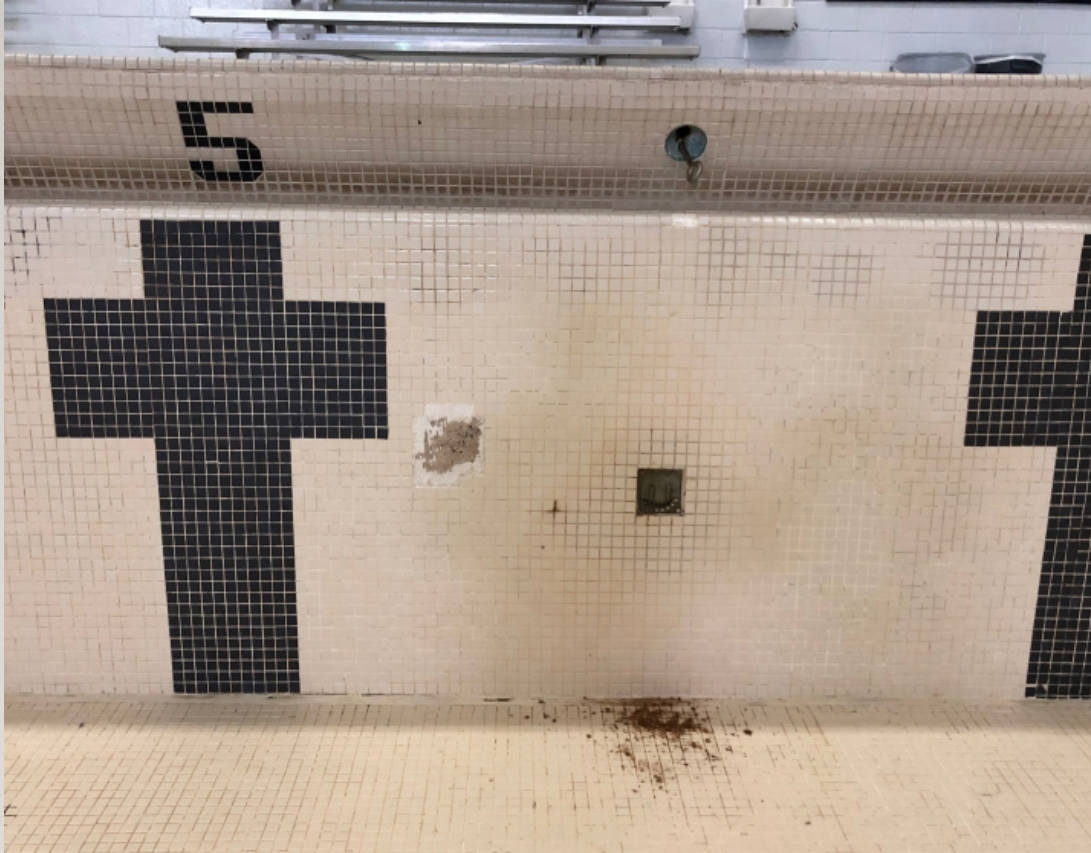

- The PHS pool was built in the 1960s and much of the plumbing is original.
- The most recent renovation occurred in the late 1980s.
- The pool is leaking 12 inches of water per day. This is a maintenance issue keeping in operation.
- The mosaic tile becomes loose and is a safety issue from year to year prior to repairs being made.
- Valves do not close properly.
- RFP #19-19 MNC Superior Pools

MNC SUPERIOR POOLS

- **Total Cost:**
\$459,864
