RE: High School Foreign Exchange Waiver

From: Penny Tramel, Executive Director of Curriculum and Instruction

Date: March 4, 2015

Coppell ISD, on behalf of Coppell High School (CHS), would like to apply for a Foreign Exchange Student Waiver as allowed by TEC 25.001(e). CHS is requesting we limit the number of allowable exchange students to enroll for the 2015-2016 and 2016-2017 school years to three learners. Please see the language below as it appears in the electronic waiver form.

Foreign Exchange Student Waiver

Pursuant to TEC 25.001(e), this expedited waiver allows the district to limit the number of foreign exchange students to a number that is not less than five per high school. An application to limit the number to less than five per high school must be submitted as a general waiver.

Create a financial or staffing hardship for the district;  
Diminish the district's ability to provide high quality educational services for the district's domestic students; or  
Require domestic students to compete with foreign exchange students for educational resources.

Number of students requested (per high school): 3

Requested Years: 2013-2014 and 2014-2015
