RESOLUTION

TOWN OF HORIZON CITY, TEXAS

WHEREAS, Texas Local Government Code Section 212.046 prohibits the issuance of building permits until a development plat is filed with and approved by the municipality;

WHEREAS, the Town of Horizon City has adopted Ordinance No. 0035, Regulations for Subdivisions, which require public subdivision improvements be completed prior to recordation of the subdivision plat, and the issuance of building permits usually occurs following the completion of the public improvements and recordation of the final plat;

WHEREAS, local developers have requested that the City allow certain permits to be issued for lots within subdivisions in which the construction of public subdivision improvements have begun following the approval of the final subdivision plat by the City but before such plat has been recorded and the subdivision improvements completed, inspected, recorded, dedicated and accepted for maintenance;

WHEREAS, City staff has worked with the Fire Marshal of the El Paso County Emergency Services District #l to develop a policy whereby permits may be issued for a limited number of lots in a subdivision, provided that public subdivision improvements have been completed to ensure adequate access for emergency services to the permitted lots, including operational fire hydrants, access to nearest improved roadways, construction of a minimal level road improvements;

WHEREAS, said policy also requires the developer to provide a bond or other financial security to the City to guarantee available funds for the completion of all required public subdivision improvements;

WHEREAS, City staff recommends allowing applicant a limited number of permits in an approved subdivision be issued following approval of a final subdivision plat but prior to completion of the public subdivision improvements and recording of the subdivision plat and dedication of public improvements, provided that such construction permits will be for limited number of lots and subject to conditions to allow emergency services access and financial security to assure that the subdivision improvements to be dedicated for public use are completed; and

Horizon Resolution Conditional Building Permits Page **2** of **8** WHEREAS, the owner of Rancho Desierto Bello Unit 16 Subdivision located in the Town of Horizon City has requested approval of early start construction by the use of conditional building permits and has satisfied all the conditions of the City's policy

NOW, THEREFORE BE IT RESOLVED by the City Council of the Town of Horizon City as follows:

The City Council authorizes the issuance of conditional building permits for eleven (11) new residential structures (15% of 74 lots) for **Rancho Desierto Bello Unit 16 Subdivision Plat** after the subdivision plat approval has been reaffirmed but prior to the completion of all public subdivision improvements, subject to the following conditions:

- Fire hydrant(s) must be installed within 500 feet of the subject lots. Such fire hydrants shall be flow tested and charged. Written confirmation from the Horizon Regional Municipal Utility District (HRMUD) stating that the testing and charging requirements have been met shall be provided prior to commencement of any construction.
- 2) The subject lots for which conditional permits will be issued shall be located along the street(s) within the subdivision that are closest to an improved public roadway.
- 3) The access roadways to the subject lots shall be constructed to the extent that curb and gutter have been completed and, at a minimum, be improved with tested and field-approved base course by the Town Engineer, or his designee.
- 4) Work done under any Conditional Building Permit cannot be concealed and shall remain open for inspection and can only proceed to the point where the next sequential inspection is required.
- 5) The application for approval of the Final Subdivision Plat and the financial security required by Section 4.10.3 of the Town's Subdivision Ordinance No. 0035 for the completion of all public improvements in the subdivision shall be submitted and approved prior to the commencement of construction under any conditional building permit.
- 6) Prior to the completion of the public improvements or any construction of the residential units on the lots, the final subdivision plat shall be recorded.

7) No final Inspection will be carried out, nor will any Certificates of Occupancy be issued by the Building Official until all of the public improvements have been completed, inspected, dedicated and accepted by the Town for maintenance.
