

Glendale Board Report

The end of the school year is winding down. Students are adamantly preparing to for the Smarter Balanced Assessment. They want to do well again. It is such a blessing to work with student who push each other and myself to learn and gain as much knowledge and skills as possible. We are planning on taking the SBAC test the week of May 15-19.

Attendance was 98% plus for the month of April. Things are progressing nicely. We have enjoyed visits from Mrs. Salois, Mrs. Conway and Mrs. Speicher.

We are looking forward to the warm weather.
