Re: High School Principal Report October 2023

We are closing in on the end of the 1st quarter on October 13th. This first quarter has flown by but it has been a positive one. Homecoming week was full of school spirit and we made it through with minimal conflicts. I am again very proud of our student body this school year as they have a genuine positive vibe about them and they are doing a great job of creating a positive culture while here at school.

This month we are focusing on the PBIS theme of Responsibility. We will be focusing on balancing all of the responsibilities that students carry with them on a daily basis. We will talk to them about taking responsibility and help them understand the importance of finding a good balance of work, school, hobbies, family, friends, all while being a successful individual. Our goal as it is stated in our vision statement is to “Inspire our students to dream toward a better future, and equip them with the skills necessary to achieve those dreams!” We continue to work towards that vision!

We are truly blessed to be here and to be a part of HHS!
