SUBJECT: CHANGE ORDER #1 FOR KELLER HIGH SCHOOL SCIENCE LABS

BOARD GOAL: Keller Independent School District facilities and services will be operated in a safe manner so that all students and employees may thrive in a secure and nurturing environment.

All systems in the Keller Independent School District will be effective, efficient, and accountable in support of the district's mission.

FISCAL NOTE: Bond Funds / 199 Funds Special Allocations Fund

Background Information:

- Keller High School has a need to add science labs and rework science labs to meet the new State 4 X 4 requirements.
- The current labs are not equipped to meet TEA standards and more labs are needed.

Administrative Considerations:

- The cost to modify existing class/lab space to ensure compliance with State and local requirements is \$ 69,774.
- The best value to have this work done as timely and economically as possible is to include it in the current contract at Keller High School.

The administration recommends approval of Change Order #1 for Keller High School science labs.

Respectfully submitted,
