UIL Virtual Meet #1 Results

This was a trial run for us. So we had only the students in the UIL class compete. We had several top 20 finishes. We competed against all classifications all over Texas. We are very proud of these students. Next meet we will have more students compete and have full teams in more events.

Calculator:

Team

5th place team out of 17 (2A schools)

36th out of 80 schools (all classifications)

Jackie Pang:

4th out of 141 students 2A

47th out of 545 students all classifications 1A -6A

Sean Hastings:

16th out of 141 students in 2A

Computer Science

Ethan Peace:

1st Place in 2A out of 55 students

Mathematics

TEAM: 4th out of 20 2A schools

24th out of 87 schools (1A-6A)

Sean Hastings

11th place out of 135 students (2A schools)

Jackie Pang

13th out of 135 students (2A schools)
