Subject: Consider Approval of Tax Roll

Date: December 9, 2024

Tiffany Sayles, Howard County Tax Assessor, has completed the 2024 Tax Roll as of 10/10/24 and has provided the attached information. The differences are due to value adjustments, which could not be verified at the time the appraisal district certified the values in July.

Recommendation: I recommend that the Board approve the 2024 tax roll.
