

CAROLINE

I have joined the SSLAC to let everyone at HMS know we have a voice and for you to know that we can help you.

CAROLINE

6th Grade Transition

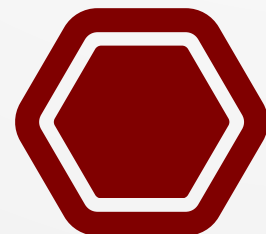

- I have enjoyed changing classrooms. Copeland did a great job of preparing me for the transitions.
- I have met new friends and new people.
- The homework has been manageable.

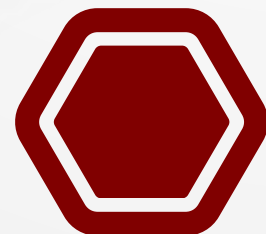

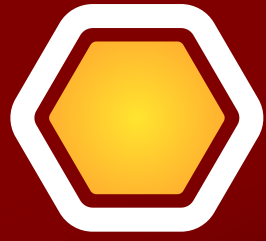

CAROLINE

6th Grade Performing Arts Performance

- Our performance included an acting play and two musical theater performances.
- We also learned about Beethoven.
- It was a little hard to learn all the moves!
- I had a fun time preparing for the performance.

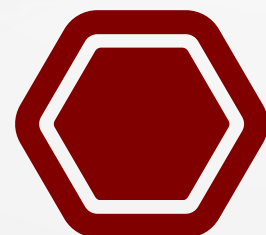

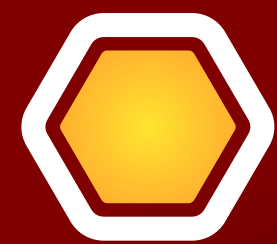

CAROLINE

Observations from Caroline

- E-Bikes can be tricky when walking to and from school. They zoom past us on the sidewalk.
- I am excited for the School Board Conference next week!
- I am also looking forward to the Social Media Takeover in mid-winter.

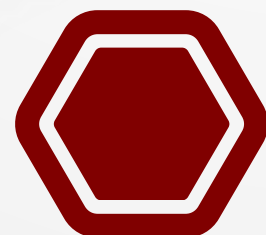

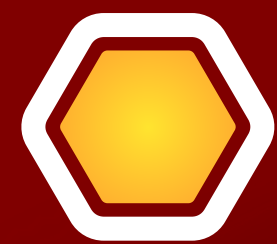

CAMILO

- I want to give back to the community and help D70 schools grow.
- Coming from a small private school, I enjoy the experience at Highland, the teachers and staff including the administrators who have helped my transition.
- Being a part of SSLAC, I hope to be able to be the voice for students and represent them well during my term.

CAMILO

Transition to HMS as a New Student

- It's been awesome so far!
- Students and Teachers have helped me every step of the way.
- Great environment at HMS. We have a lot of opportunities.
- The Gym Jam sounds so fun but I have to go to Raleigh for a soccer tournament.

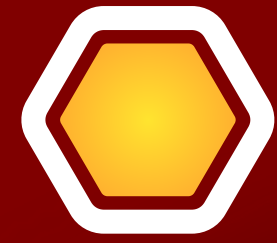

CAMILO

Future Ready Student Panel

- I was invited as an 8th grader to be on a student panel.
- I spoke to 150 teachers and administrators in Lake County.
- It was a neat, new experience for me. I was a little shy at first but once I got going, it was fun.
- I learned that even if I'm nervous or scared, once I get going, I do a great job.
- I'd like to do it again!

CAMILO

Observations from Camilo

- I'd love to see a box for ideas and recommendations in the front entrance of HMS for students to use to provide feedback.
- I am going to bring this up at our next SSLAC meeting.
