- Marlin Junior Academy has an enrollment of 220 students as of January 13, 2016. Our attendance rate for the year is at 96.48% (5th Grade = 97.37%; 6th Grade = 96.47%; 7th Grade = 96.97%; & 8th Grade = 95.07%).
- Mrs. Miller, 7th Grade ELAR, has been working with Mrs. Strong, a writing specialist from ESC 12. Students in Mrs. Miller's writing class responded to a STAAR-like writing prompt. Their responses were scored by specialists at ESC 12 and overall 60% of the 7th grade students met standard on their written responses.
- Curriculum Based Assessments (CBA's) are scheduled to be administered Jan. 19-22. These results will assist in determining interventions as teachers and students continue to prepare for state testing.
