

COPPELL INDEPENDENT SCHOOL DISTRICT

GRANDPARENT TRANSFERS

Resolution to Authorize the Development and Implementation of a Regulation Allowing Interdistrict Transfers for Grandparent Transfers

WHEREAS, Coppel Independent School District (“CISD”) is dedicated to fostering community connections and strengthening relationships among generations through its *Cowboys United: We are the CHOICE* initiative; and

WHEREAS, the *Cowboys United* plan emphasizes expanding opportunities for families to choose CISD schools, celebrating the district’s shared legacy, and deepening engagement across all members of the Coppel community; and

WHEREAS, the Board of Trustees recognizes that many families maintain strong multigenerational ties to the district, with grandparents serving as vital supporters, mentors, and contributors to student success; and

WHEREAS, the Board desires to provide additional flexibility for families by allowing interdistrict transfer opportunities for students who have a grandparent residing within Coppel ISD boundaries (“Grandparent Transfers”), thereby strengthening family connections and promoting community unity;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Board of Trustees hereby directs the Superintendent and central administration to develop and implement an administrative regulation establishing an interdistrict transfer process for Grandparent Transfers, defined as students who have at least one grandparent with a primary residence within Coppel ISD boundaries.
2. The regulation shall include eligibility criteria, capacity considerations, and application procedures consistent with Board Policy FDA (LOCAL) and all applicable state and federal laws.
3. The Superintendent shall ensure that implementation of the Grandparent Transfer process aligns with the goals of the *Cowboys United* strategic framework, particularly those related to expanding choice, supporting families, and sustaining community engagement.
4. The Superintendent or designee shall report to the Board on the regulation’s implementation timeline and communicate the process to the community prior to the start of the 2026–2027 school year.
