#### Teaching, Learning & Relevance

- Students interested in the Heating, Ventilation, and Air Conditioning (HVAC) career field attended the Vision Tech HVAC Conference in Wisconsin Dells. Students spent their time learning about industry technology and career opportunities.
- Students interested in Health Science careers attended the Northwoods Mental Health simulation at Nicolet College. Students learned about various occupations and how they respond to a mental health crisis event. Roles and responsibilities were observed throughout the simulation and gave students an in depth understanding of how these professionals address the needs of a crisis event.

#### The Whole Student
