Adopted: 10/26/15
Orig. Code(s): DN

Disposal of District Property

The Board may, at any time, declare district property as surplus and authorize its disposal when such property is no longer useful to the district, unsuitable for use, too costly to repair or obsolete. Efforts will be made to find other uses for items declared surplus.

Items that are still usable, but no longer of use in the district, may be disposed of through approved state agencies. The monies are returned to the general fund. If the district property was purchased with state, federal or private grant funds, disposal of the property shall be made as outlined in the grant or by state or federal regulations.

No items purchased by district funds may be sold to employees or private agencies without public notice, with the exception of outdated books.

Specific information related to disposal of district property is delineated in the district *Purchasing Manual*, which is updated periodically.
