Monday, April 5, 2021

Dear School Board and Superintendent Guardipee-Hall;

The students continue to keep busy at Glendale and Big Sky Colony. They made a lot of progress this past month. The students were very excited to return to in-person learning on Monday, March 22. The days went quickly and they all worked very hard. All students at had perfect attendance each day, too! Big Sky even completed our first art project of the year! Both students and staff were anxious to get back into a somewhat sense of normalcy. Everyone did a wonderful following Covid protocol (mask-wearing, hand washing and sanitizing, etc.). Parent-teacher conferences for the 3rd quarter will begin this week. Last week diplomas and medals were ordered for this year's 8th-grade graduation that will be kick of the last week of May.

Thank You,
Mr. Black, Principal

Big Sky Colony art project.
