

BHS January board report

I cannot express how thankful I am to have the opportunity to be principal at Browning High School. I believe that BHS has the potential to be an even better school. The staff and students have been phenomenal to work with thus far.

Attendance

For the month of January our student attendance was 82 % overall. Below is a break down by grade level.

9 th Grade	78.13%	Total 9 th graders= 172
10 th Grade	80.22%	Total 10 th graders= 156
11 th Grade	83.90%	Total 11 th graders= 138
12 th Grade	86.56%	Total 12 th graders= 151

Staff attendance for the month

Certified: 92.33%

Classified: 86.6%

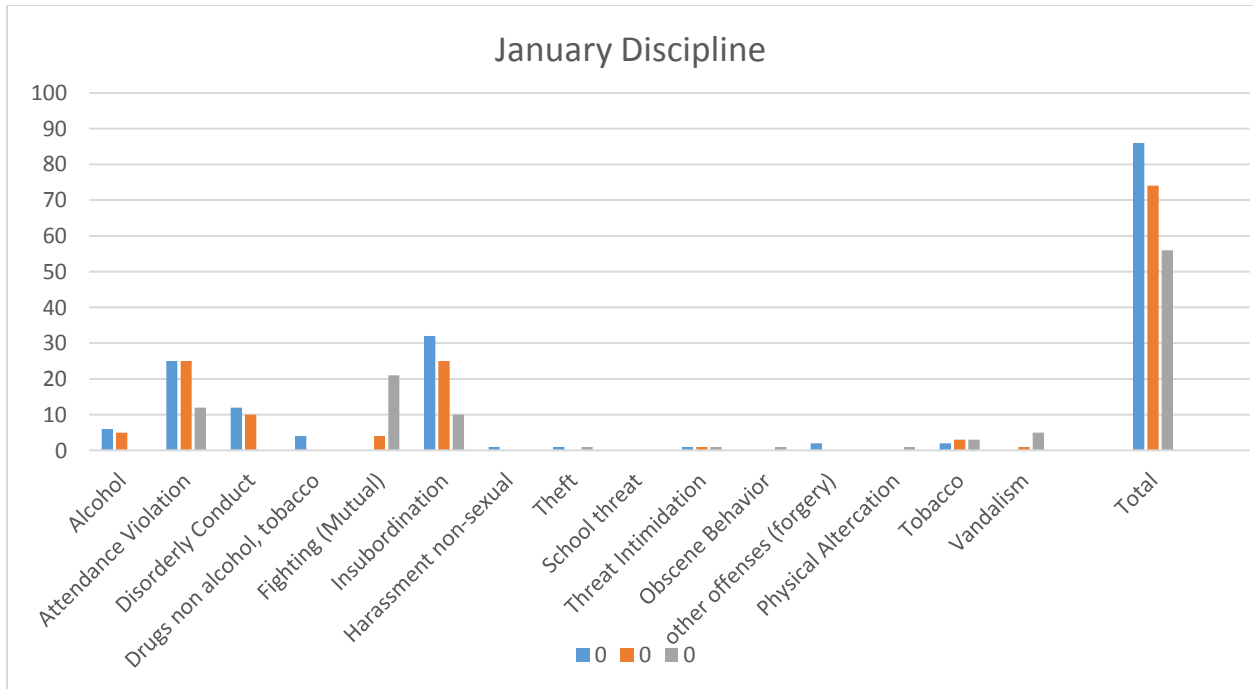

We have had 3 students with near perfect attendance and 64 parents/students have been referred to the courts. We had 4 students drops for the month of January. We continue to make parent contacts but unfortunately we have not been able to do any home visits.

Discipline

I am very happy that we have seen a decline in referrals over the last two months. On January 25th we were able to have a freshmen retreat to discuss some of the issues that our freshmen are having. A big thank you to Karla Bird for organizing this as well as those individuals and organizations that helped out. We are planning to have this much earlier in the year next year.

Happenings

We have had a few events in the month of January. We had our Honor Roll Assembly and recognized 126 students with a 3.0 or higher. Mr. Wagner has given each of these individuals, free admission into the remaining home games. Thank You, Mr. Wagner.

On January 31st we had our monthly literacy night. Thanks to the Science department, especially Melody Small for putting this together. They had 261 people show up. Way to go!

Our Rising Voices Club under the supervision of Amy Andreas had a special guest in the building. The students were excused for most of the day to listen to the presenter.

On January 21st we had 18 students inducted into the Young Buffalo Society. These students will be job shadowing with educators throughout the district. This is a great opportunity for students to explore the teaching profession. Hopefully many of them will return to our district to teach. In addition to gaining job experience they will be getting college credit as well. Thank you to Carla WhiteGrass-Trombley and Dee Hoyt for setting this up.

In addition to our Young Buffalo Society members getting college credit, we also have 33 students that are currently taking classes at the college. Gear Up staff (Melanie Magee and Cinnamon Crawford) have worked to not only get these students enrolled but have helped them every step of the way. These women work tirelessly to make sure our students are college ready. You ladies are awesome!

Challenges

I have had a few expectations that I have set for staff and am working to set up an action plan that will be beneficial for all. Some of the things that I am working on and with staff are:

All staff make parent contacts for every student monthly. This should be consistently done. If anything arises contact the parent in a timely manner.

Treat everyone (students, staff) in a professional and respectful manner.

The counseling center is putting together a SOP for their department as well as each of the counselors will be conducting a group. They will be in the classes more, working with students in ISS and taking the lead role in many BHS events.

We are continuing to monitor our single lunch period. (i.e. tardies). We are also working on concessions during the lunch period. Mr. Bull Child and Mr. Miller are working to organize the intramural program.

I am working to get into the classrooms more each week to observe staff and interact with students.

If you have any suggestions or ideas please don't hesitate to contact myself, Mr. Heusch or Mr. Parrent. We want to provide the best educational experience for our students.
