Topic: School Board Self-Evaluation
Contact(s):
Presenter(s): Pam Roe, Chair

Nature of Action Requested by Board

Board action	<input checked="checked" type="checkbox"/>
Board information or scheduled report	<input type="checkbox"/>

Background Information

We have had discussions regarding the potential need to conduct a school board self-evaluation. Chair Roe attended a session at the Minnesota School Boards Association (MSBA) conference in January about the MSBA's model. If the school district desires to contract with MSBA to conduct the board self-evaluation, board members will complete an online survey and then work with an MSBA representative during the June workshop session. The cost is approximately \$1000.

Recommendation

I move to conduct a school board self-evaluation with MSBA.
