

Administrative Priorities

22-23 School Year

“Don’t tell me what you value.

Show me your budget and I will tell you what you value...”

- Joe Biden

Goal for Tonight

Provide the Board and community with overview and understanding of the:

- initiatives for 22-23 school year;
- explicit connections of agenda items to strategic plan
- connection to Board's draft planning calendar (How we spend our time!)

Communication & Engagement

Building & Sustaining Relationships

The diverse identities, abilities and strengths of our school community are reflected in a system representative of, constructed by and responsive to all of our stakeholders.

Differentiation

Engaging in Best Practices for Teaching and Learning

Data will be analyzed used to reflect on our intentions, evaluate processes and practices, measure our impacts and inform our decisions on a path of continuous improvement.

Culturally Responsive Positive Behavioral Interventions and Supports (CR-PBIS)

Fostering an Inclusive Culture & Climate

Each individual has access to, can meaningfully participate in, and make progress in high-quality learning experiences that result in empowerment and academic success.
