## May 2020

### ***Congratulations to the Class of 2020***

May 26<sup>th</sup> 2020 marked the end to a journey that was riddled with excitement, fear, struggle, joy, trauma, resilience, hard-work, determination, and perseverance for all graduating seniors. Of the 36 BHA students that now call themselves high school graduates, some have been with us for four years while others only spent a few months in our building. But regardless of the amount of time, they all will forever be part of the Buffalo Hide family. We wish each and every one of the graduates nothing but the best, and are excited to see where life takes them next.

### ***Maleah Gallagher Horn: BHA Valedictorian***

The BHA Valedictorian of 2020 is Maleah Gallagher Horn. Maleah came to us during the Spring of the 2017/18 school year. Beginning in the Fall of 2018, she has earned a 4.0 in each and every quarter, and as a staff, we couldn't be more proud of the person she is today. Maleah will no doubt go on to do great things!

### **BHA Awards Ceremony**

On May 21st Buffalo Hide Academy presented their annual Senior Honoring for the class of 2020. Charlie Speicher and Nick Rink hosted the event with filming and technical support from Chris Lewis, Katie Boyce and Matthew Johnson.

Our philosophy is to honor each and every senior for their efforts, resilience and gifts that they have brought into our lives and Buffalo Hide Academy. Each Senior was celebrated with a brief story and several kind words from our staff. We will profoundly miss them all.
