Jenn Tuckett, Principal	

School:

Basin Online is an Online rural school within the Duchesne County School District located in the northeastern region of Utah. Basin Online opened in 2021 and has a current student population of 58 students. Dual Enrollment courses are offered through Utah State University, as well as Career and Technical Education partnering with the Uintah Basin Technical Center (UBTech). Basin Online operates entirely online yet allows students the opportunity to receive one to one support in the building or through an online format such as Zoom, Google Meets or Teams through Office 365. Testing is required in the building or with teacher proctoring online.

College and Career Readiness:

Basin Online partners with the Uintah Basin Technical College to provide pathway courses for CTE certificates in Automotive Technology, Cabinetry, Heavy Duty Diesel,

Welding, CDL, and IT Support Technician. UBTech and Utah State provides stackable programs in Medical Assistance, Business Office Professional, Automotive Technology, Heavy Duty Diesel, and Welding Advanced Technician.
CTE certificates can lead to hours towards an Associates of Applied Science Degree and Bachelor of Science Degree through Utah State University-Uintah Basin. Practical nursing students can earn a BSN.
