Good Morning,

Attached is a copy of the estimate for the high school roof repairs received from Wahl's Roofing.

Sandy - I talked to Reid about this today. We approve on our end, but I understand that this may take board approval on your side. Knowing that winter weather will be coming soon, Damon Wahl told me today that they can start on the repairs as soon as the materials arrive and should be able to get it done this fall.

Let me know if you have any questions. Thanks!

Reid-

Is there any way Wahl's will order the panels before this goes to the Board for approval? I don't foresee the Board having issues approving this bid because MSGIA has agreed to this estimate. This bid is half the amount of the other bid.

Sandy
