

Facilities, Construction and Master Planning Charter  
To be combined with the Finance and Administration Committee Charter

**Charter:** The facilities, construction and master planning committee has oversight of policy and performance related to the physical assets, including reviewing the Chancellor's recommendations on capital priorities. It also provides oversight of physical master plans for each location.

More specifically, the committee shall:

- (a) review and recommend approval of physical and facility master plans as well as capital improvement plans for each UH System site;
- (b) review and recommend approval of the master plan amendments for purchase, lease, sale or development programs for real estate;
- (c) review and recommend delegation of authority to the Chancellor for programs regarding new construction or major repair and rehabilitation of building and facilities when the total cost is equal to or greater than the submittal threshold requiring Texas Higher Education Coordinating Board notification;
- (d) review major reports regarding the use, occupancy and security of facilities and property; and
- (e) review and recommend naming of facilities consistent with board policy.
- (f) review an annual report on the condition of the UH System buildings and facilities, including information concerning deferred maintenance with respect to those buildings and facilities.

The committee is required to perform a review of the charter annually, as required by Board of Regent Bylaws. (08/23/18)
