Foley Public Schools Activities Department Update
February 9, 2026 School Board Meeting

Greetings from the Foley Public Schools Activities Department,

Section Champions and State Bound
The Cast and Crew of the Foley High School One Act Play performed "A Monster Calls" at the Section 5A Section Event last Saturday, January 31st at Sauk Rapids High School. Their performance earned them first place and advanced the Cast, Crew, and Directors to the State One Act Play Festival. Foley will perform at 1:30 on Friday, January 6th at the O'Shaughnessy Auditorium at St. Catherine University.

Postseason Region 5A Hudl Livestream Update
In January, the Region 5A Committee approved a $15 per event per device fee to all contests administered by Region 5A and live streamed on host school's HUDL cameras. This now mirrors the Region 7A policy on HUDL live streaming. This means that for all of our home Section/Playoff events that are run by the Region, there will be a payment of $15 required for all that choose to watch the game via livestream.

Girls Wrestling Numbers
There was a request to break down the wrestling participation numbers included in my last Board Agenda by gender. Here is a look at our Boys and Girls Wrestling Participation over the last three years (the duration of the existence of Girls Wrestling in Foley).

Activity	7	8	9	10	11	12	Total
Boys Wrestling	12	8	7	7	6	8	**48**
Girls Wrestling	2	2	2	0	1	0	**7**

Activity	23-24	24-25	25-26
Boys Wrestling	45	45	48
Girls Wrestling	7	8	7

Form A and Form B Grant Dollars

The MSHSL Foundation Form A and Form B Grants that were applied for in November have been accepted. Form A is a reimbursement that is given to help counter the free and reduced rates for participation in activities and Form B is used towards Health and Safety. Foley was granted $1,629.00 for Form A and $1,800.00 for Form B. The dollars are used to pay for the annual upkeep of the outdoor AED devices and to provide First Aid, CPR, and AED Certification to our coaching staff.

Thank You,

Eric Inglis
