October 2024 Board Report

First Quarter Wrap Up:

- Preschool for All (PFA), Pre-Kindergarten (PK), and Early Childhood (EC) are going well. The teachers and paraprofessionals are working hard to meet the needs of all students. The PFA classroom is closely following PFA guidelines. The Illinois State Board of Education will be performing its PFA Compliance Visit in the spring.
- What I Need (WIN) is up and running at each elementary building. WIN is an opportunity for students to receive a second dose of specialized instruction based on their needs and data.
- Problem Solving Teams (PST) at each elementary building are working hard to support students. The teams focus on student needs and data while collaborating with the student's team of adults to ensure support.
- The ELA Committee continues to review potential curricular resources to support classroom instruction. The next step will be for teams of teachers to observe in districts that are implementing the resources.
