

COUGAR TAIL

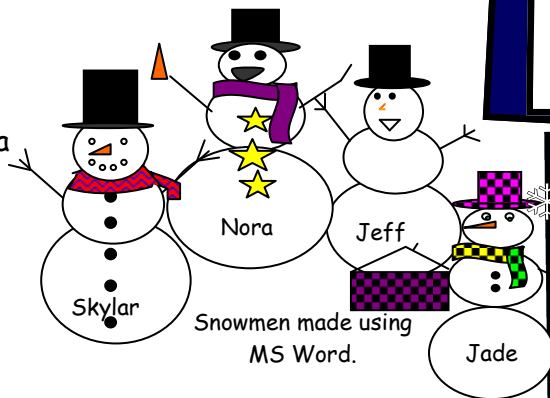

A note from the Principal ...

Happy New Year Applegate Families!
 Hope all enjoyed the well deserved winter break with friends and family. January has arrived bringing us winter weather and lots of uninterrupted school days. 4th and 7th graders will be working hard on preparing for our writing assessments, our Drama class will be fine tuning their play, our Girl's Basketball is underway, and our Strings group is working hard each Thursday to improve skills and prepare for a spring concert! Please make sure and keep up to date with all the important school events, current homework and class activities by visiting our web site (and teacher pages). Looking forward to a great 2nd trimester here at Applegate School.
