**FOR DISCUSSION:**

**Subject:    Fall MAP Results**

This evening, Dr. Evonne Waugh will review the 2020 Fall MAP results through a historical lens with the help of the District's partner, Forecast5Analytics. The administration of this test was difficult as students were taking the test in multiple settings and the proctoring was not as controlled as has been in previous years. After her brief presentation, Dr. Waugh will be available to answer any questions you may have.
