### **FOOD SERVICE**

Hoping to hear feedback on the new menu, encourage folks to get in there, play around with it, and try it out.

New online interactive menu: <https://menus.healthepro.com/organizations/3495>.

The new software comes loaded with thousands of recipes from other School Nutrition sources. I am anxious to try out some new recipes with the kids, starting in January.

We have our Administrative Review of the Food Service program scheduled for December 18th at CHS.

We had Crispy Salmon Fingers for lunch on December 4, 2025 and for the first time ever, every student took the salmon. Usually, there's about a dozen kids that don't want fish. More and more kids are enjoying it now.
