- 12 days of state tests
- 6 days of local exams

❖ 4 days of professional development for a total of 189 contract days

Pros:

- Students begin the school year w/a four day week
- More days are given as holidays before Christmas
- 3rd nine week exams are given before Spring Break
- Teachers complete work and contract days before Memorial Day
- There is still time for added make-up days in May
- Share graduation with Lee County (Draft 2)
- Share professional development days w/Lee County (Draft 2)
- Share holidays with Lee County (Draft 2)

Cons:

- Students come back on a Friday to begin 2nd semester
- Nine weeks are not evenly balanced in either semester- 44/46 students
- Exams are given after graduation ceremonies for grades K-11
