To assist in the cost of razing Coultrap Elementary a community auction was held on Saturday April 13th and Sunday April 14th. The following weekend (April 20th and 21st) a public auction was held. Notification of the community auction went to all Geneva 304 employees, posted on the Geneva 304 website and sent out via the 304 Connect master e-mail list. Information was also provided in the local newspapers the week prior to the public auction.

Auction items included desks, chairs, coat racks, historical glass doors from the original building, tables and other miscellaneous items. The remaining items were donated to various organizations in the areas. Please see attached letters.

The proceeds from the auction (which includes recycling scrap metal) came to \$12,830.09.

Dear Scott,

I am writing to thank you for your generous donation of student desks and bulletin boards to West Aurora School District 129.

The desks will be put to good use at Hill Elementary School, replacing some very worn out ones, and the bulletin boards are at West High School.

Thank you for thinking of District 129.

Sincerely

Dear Mr. Ney,

Thank you so much for collaborating with Our Lady of Good Counsel during your recent auction. The items that we acquired will benefit our students and school immensely. I can't begin to thank you enough.

We estimate the total value of items received at \$3000.00 for desks, chairs, tables and other miscellaneous items. Your generosity well exceeds any opportunity we would have had to purchase these items.

Once again, thank you!

Sincerely,

Karen Behrns, Principal

St. Laurence Catholic School

April 29, 2013

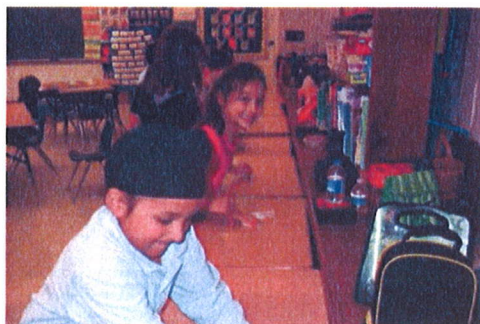

Hello Scott,

Please accept my sincere gratitude for allowing my school to benefit from the auctioned items recently offered to the Geneva community. The students at St. Laurence that cleaned and swapped desks to a newer version were ecstatic. As I look around the environment in which my teachers work I see much needed upgrades and improvements. At this point we do not have the finances to purchase new the items that we gathered from your auction. I believe that (if purchased new) it would have cost our school over \$4,500.00.

It was a pleasure to work with you and Cookie. I wish you and District 304 the best in your planning and implementation of the best use of your schools. Please know that our students have said a prayer in appreciation of your kindness.

Sincerely,

Tracy Wahl, Principal
