The C. C. Winn High School students and staff greatly appreciate being considered to receive a monetary donation from your organization!

We would like to extend our thanks, as this money would be put to use in our upcoming DASH (Drug, Alcohol, Safety and Health) state committee projects, as well as helping to fund our TASC (Texas Association of Student Councils) state project focusing on raising cancer awareness. We are currently in the planning phase of our events and school/community activities, and through your monetary donation, we will be able to further our idea options and get more resources that can be used for our student body, and help to educate our staff on safety and health.

Once again, Winn Student Council thanks you for your possible donation as it will be greatly beneficial to our DASH committee and project submissions for future participation with the state.
