Morrow County School Board

235 E. Stansbury St.

Heppner, OR. 97836

Dear Members of the Board,

I am writing you in regard to the vacancy on the Morrow County School Board. I'd like to be considered for this position if it is still available. Being involved with decisions that impact our future generation is of utmost importance to me. Morrow County is in a great time of economic growth and I would love the opportunity to work with forward thinking community leaders in growing the school district to accommodate the growing numbers of students. My young age may seem like a disadvantage however, I see it as an advantage. I have recent experience moving through the educational system. I completed my k-12 schooling in the Athena-Weston school district and then moved on to a bachelor's degree in Civil Engineering at the Oregon Institute of Technology. My career field has turned me into a very detail oriented and informed decision maker. Please let me know if I would be considered for this position and what I need to do to move forward. Thanks!

Warm regards,

Jacob K. Cain
