SUBJECT: TEXTBOOK RECOMMENDATION – ALGEBRA 2

I am recommending the following textbook purchase for Algebra 2 be placed on the June 11, 2018, Board Committee of the Whole agenda.

Mr. Ben Hillard, K-12 Math and Science Coordinator worked with a committee of high school mathematics teachers. The committee completed the district prescribed textbook adoption process and the Secondary Principals support the recommendation. In his attached memo, Mr. Hillard shares more details about the evaluation process used. The textbook is available to review in my outer office area. Sample textbooks will also be available at the Committee and Board meetings.
