RE: Proposed 2023-2024 School Year Calendar
DATE: December 12, 2022

Attached please find a proposed school year calendar for the 2023-2024 school year. The district's Calendar Committee has met throughout the fall and considered a number of options. While the proposed calendar largely aligns with this year's school calendar the committee is recommending one structural change. Specifically, our committee is recommending moving our fall Parent/Teacher Conferences from the week of Thanksgiving to the first week of October. This change will better align our conference schedules across all levels.

This calendar is submitted for your review and consideration. We will return to the January meeting to seek your formal approval for the 2023-2024 school year calendar.
