

# Community Education Department Program Report May 2014

- Ms. Bolton has created a Parent/Community survey to assess the needs of the families of our district. The data that was given will assist the schools and Community Education in offering quality and helpful programs and events to the district. The percentages are attached along with the survey question. That information is attached.
- Ms. Bolton worked with the Early Registration committee to produce a 3 minute commercial with a student from Maya Angelou School and Dr. Adams. This commercial airs on cable access channel 19. Also, we have the announcement running on that channel as well.
- HPSD 152 is working with District 205 on their Summer Athletic Camps, United Nations Summer Leadership Academy and Military Boot Camps. For more information, please see Ms. Bolton.
- HPSD 152 Community Education and the Office of Teaching and Learning met with the staff of the Greater Food Depository to finalize the supplying of Breakfast and Lunch for our summer programs. We will make sure the Board of Education is aware of how the program works and the benefit for our students and community
- We are excited to have organization that have partnered with Harvey Public Schools, Dist. 152. Several organizations will be holding events held in the community:
  - @Harvey Park District:**
    - Community Gardening Project
